Rebellyous Foods is an early-stage, plant-based food start-up. As a food production and manufacturing technology company, we are working to substantially increase the volume and lower the price of specific, high-quality plant-based meat products to effectively serve the institutional market to replace animal-based meat on a large scale.

Rebellyous Foods is seeking part-time and full-time plant-based meat technicians to make our plant-based meat products at our production facility in West Seattle. Production consists of plant-based meat processing (mixing, frying, freezing, packaging), production/facility sanitation tasks and support for the transportation of equipment, supplies, and products to and from our storage facilities. This position requires considerable coordination with other team members.

How to apply: Please submit a resume and cover letter explaining how your experience fits the skills needed in this position to apply@rebellyous.com. In your cover letter, please answer the questions below. We are seeking to hire for this position immediately.
